KLM IS YOUR

The Dutch first landed in Australia in 1606. And when Australia entered the flying age, a Dutch airline was the first international airline to use Sydney Airport. So when you feel you want to see Holland (where it all began!) step aboard *your* airline: KLM.

We speak your language!

English? Dutch? It's all the same to us! KLM's friendly flight attendants are all bi-lingual, so you'll feel right at home.

KLM has been long established in every major European centre, so they have the purchasing power to get you *real* holiday bargains. We can arrange car and campervan hire. Budget hotels. Great sightseeing

tours. And we can do it all for you at bargain rates, because our offices are right on the spot.

Visit your KLM office, soon.

We'll give you all the flight information to get you to Holland fast, plus details of our special fares to Amsterdam.

And ask for a copy of KLM's Europe Holiday Bargains book – it's your free Europe Kit bursting with bargains in Holland and Europe! Check with KLM or your travel agent, and see how KLM's big purchasing power can save you plenty!

The reliable airline of Holland.
