ALTERATIONS TO THE COMMITTEE:

Due to the increase in business pressures our Vice-President Tony Derksen has resigned from our Committee. The Committee regretfully had to accept this resignation and once like to thank Tony for all the work he has done for our Club.

Mr. Henk Tuinder has since been appointed to the Committee and we are happy that he has accepted the position. Henk Tuinder taken on has the enormous job of looking after our kitchen supplies etc. He has already put some hard work into this task and will try to supply all, our members ask for. We ask the co-operation of all our Members to let Henk know your wishes. We don't like to sell "Sorry we have not got that", but of course we have to know first what you like and it is possible and economical for the Club we will sure try to comply with your wishes. We have a further received advise from some of our foundation members that the dismissal of Henk Beugeling from the Committee has not been effected in accordance with the Articles of Association of the Club. We have notified Henk Beugeling in writing and asked him to take his position on the Committee again. Since then Henk Beugeling attended the Committee meeting on the 23rd June, 1975, in which meeting he submitted his resignation from the Committee in writing.

Although the Committee expressed the wish that Henk remain in the Committee until election time, he would not agree to that and the Acting President consequently accepted Henk Beugeling's resignation. However he has agreed to continue his position as Card Leader and will also help with the organisation of Camping trips etc.

"Karel sloeg weer spijkers met koppen".

Voor de tweede achtereen volgende maal, heeft Karel Onderstal grote sensatie verwekt, door in een spannende zenuwslopende wedstrijd de "Jan en Wilma Grabijn" beker voor "Wilhelmina" in de wacht te slepen. Deze beker sinds 1968 in het bezit van Brookvale Biljart Club en waar op Zondag de 8ste Juni als inzet om werd gespeeld, is het ware met hand en tand door Brookvale verdedigd.

Met Clubgeest en geladen Keu trokken 25 biljarters van Wilhelmina ten strijde met een gedachten, het veroveren van de beker.

Van beide Clubs werden 15 spelers geselecteerd met over een komstige gemiddelden die op het groene laken hun kunsten van het spel konden vertonen.

Nadat 14 partijen waren gespeeld was de stand precies gelijk, terwijl Karel Onderstal nog met de laatste partij gaande was en de beslissing zou kunnen brengen in de eindstand.

Niet wetende hoe belangrijk de partij was die hij speelde, lanceerde hij vernuftige schoten.

Beide spelers, Karel Onderstal van Wilhelmina en de Heer van Lange van Brookvale, spelen zo Karambole naar hun gemiddelden en brachten hun aanhangers tot een climax, door dat beide spelers op 19 Karambole belandde, met de Heer van Lange aan stoot, die zijn nog te maken Karambole met een enorme blunder miste. Met Karel aan stoot en een voor hem nog al lastig te maken bal, hield alles wat Wilhelmina was, "de adem in" en durfde men niet te kijken, tot dat hij het vonnis voltrok en voor hij het wist door de dol van vreugde geworden "Wilhelmina" spelers op de schouders werd rond gedragen door de Brookvale biljart-zaal.

Een Stralende "Karel de Grote" mocht daarna de beker van zijn rivaal de Heer van Lange in ontvangst nemen om mede naar huis te nemen waarna de Cup een warme plaats zal vinden in onze bekerkast en voor een vol jaar ten pronk zal staan.

Volgend jaar is het onze beurt om de beker te verdedigen maar dit keer op eigen terrein.

Na alle voldoeningen van het behalen van dit machtige resultaat, werd er verder gespeeld voor het bereiken van de eindstanden waarin Wilhelmina ook weer van zich liet spreken, n.l. Rick Sevinga net kwam in de finale voor de winnaars ronde en zijn partij tot een goed einde bracht zodat hij als de winnaar van de dag en de Kampioen tevreden naar huis mocht keren.

Evenzo in de verliesers ronde waar Rinus Boersma als tweede uit de bus kwam. Proficiat vechtjassen.

Al bij elkaar was het een dag om niet te vergeten en het bewijs van samenhang werd geleverd wanneer het gaat om de eer van "Wilhelmina" wanneer tegen andere Clubs gespeeld word.

We hopen spoedig onze vrienden uit Melbourne in ons Clubhuis te mogen ontvangen wat als eerste stap gerekend mag worden, voor internationale Tournaments en laten we hopen meerdere van deze fijne evenementen te mogen bij wonen.

Wim Welbedagt.

P.W.Geleyne.

On Sunday the 15.6.75 we had our N.S.W. open Annual Card Tournament in the Masonic Club, Paramatta.

There where over 400 cardplayers. It was 10th Anniversary, and under the skilfull eye of Mrs.F.VanGender, it was again a very good event.

No one had any complaints.

Mr.Platteel not playing for our club, won the first prize with a total of 5887 points, followed closely by Mr.A.Van Dorp of "G.I.O.S." with 5849 points, third place went to Mr.P.Hendriks of "ons genoegen" with 5623 points, fourth place went to Mr.J.Vanzutphen from Wilhelmina N.A.S.C. with 5588 points.

Congratulations to those players and every one who participated. On the average score for clubs Wilhelmina came second with 4637 points just beingbeaten by "ons genoegen" with 4648 points a light margin of 11 points only with St.Marys third 4615.

The evening itself needs no mention than only one word "Terrific" The Atmosphere, The people, and most of all the Band, "The Mellowtones".

The ones that where not there, well they missed something and I hope thatthey will be there next year.---

DANCE NIGHT SATURDAY 28th June 1975

Good Company, terrific music, a nice cool drink and what do you get ? Of course one of our fabulous dance nights ! And that's what we had again on Saturday 28th June.

Our President John Grabyn and his wife Wilma were with us again this night, after returning from Holland only the day before and they were spontaneously welcomed back by all Members present. Nice to see you Wilma and John !

The band for this night "The Mellowtones" were as usual terrific. Those boys can get anybody's feet moving and if you don't dance, just to listen and watch the singer of the Band, Peter Duggan, is worth to come along.

The raffle this time presented some really good prizes, the main one being a hand made table from our Vice President, Wim Raap. Would you believe that Lenie Raap won this table herself in the raffle ? Wim Raap promptly presented this table to Mr. & Mrs. Savelberg. John Savelberg is still of work through an accident he had whilst on our Easter Camping week-end and they had been waiting for a new table for quite some time. A very nice gesture from Wim and Lenie Raap and warmly appreciated.

Next the raffle for the watches was drawn. The first one out, for the ladie's watch was a blue ticket No 371 in the name of K. Verhyen. The men's watch fell on orange ticket No 316 in the name of O (for Opa) Koevoets. What a nice memento from "Wilhelmina" for our overseas visitors. Congratulations to both winners and a big "THANK YOU" to all people who bought tickets and supported our Club !

To soon it was 1 p.m. and time to go home again, but not before the Band played an extra number, because nobody felt like going home yet. Any one who has n't tried our Dance-nights yet should make a point of doing so soon to experience for themself the good time we all have on these nights.
