O B I T U A R Y

A LAST SALUTE TO A PRESIDENT

To our deep sorrow and regret we inform you, that on the 21st May 1981, our President Franciscus Rudolph Paulus Bodt passed away peacefully in his sleep, at the age of 48 years.

The Board of Directors, Members, Management and Staff extend their heart felt condolences to his wife Margaret and his family.

We all know how hard a worker Fred has been for this Club, but also for his family and other organisations. His leadership and attitude have left a definite mark on this Club and also served as an excellent example for others to follow. He lived to offer his services and to serve his fellowman, so that they too, could enjoy life to the full. Through his determination and leadership we are, where we are today. For that, we owe him gratitude and admiration.

As well his family, as this Club has suffered a very great loss and he will be sadly missed by all of us. This Club is his Monument, it will remind us of his courage and labour.

MAY HE REST IN PEACE.

On behalf of my mother and the family, I wish to express my sincere thanks and appreciation to the Board of Directors, members, management, staff and the Ladies Auxiliary for all help and support given to us, in this time of hardship and sad loss.

I also would like to thank all Sub-Committees, other Clubs and members for their floral tributes, cards and messages of sympathy.

Thankyou all, for sharing our grief, it was a great comfort to us.

Yours Sincerely

FRANS BODT JNR.

On behalf of the Directors, members and staff of the Wilhelmina Club, I would like to say a few words about our departed President, Lifemember and dear friend of us all.

Fred Bodt was a co-founder of our Club, 14 years ago. He served the Club as a Director, Group Travel Charter Flight organizer, Secretary and since 1976 as President, with distinction.

A terrible lot of work went into those 14 long years and Fred Bodt did the lion share of the work, that had to be done.

He led us towards and into the first licenced Dutch Club in N.S.W. and we are all very proud of that fact, but I know, Fred was even prouder because all his hard labour over those long years had finally come to bear fruit.

But to Fred that was not the time to rest and sit down. He wanted the Club to grow bigger and better and he succeeded in that aim as well.

Since the official opening of the Club it has grown indeed, he saw the birth of the Ladies Auxiliary, Youth Club, Ladies Pool Club, Darts Club, and finally the Soccer Club. Of course, the Billiard Club, of wich Fred was an active member and the Card Club existed before, and infact, WAS the Club, in the years before we moved to Rooty Hill.

We all know, Fred has worked unbelievably hard, but we must not neglect to mention the mountains of work his beloved wife Margaret has shifted over the same number of years, for the good of us all.

We all suffer and grieve with you and your children today, Margaret, but we hope you will find comfort and strength for the future, by the support and love shown by those, attending here today.

Fred's aims are not finished, but those of us that are left behind, will carry on the work to make a bigger and better Club.

A Club that will stand as a glowing MEMORIAL to FRED BODT.

R E S T I N P E A C E .

(THESE ARE THE WORDS SPOKEN, BY MR. A. DONSELAAR AT THE FUNERAL SERVICE OF OUR PRESIDENT.)

ACTING - PRESIDENT REPORT

In this article I would like to talk about Membership and nominations.

But first I want to reply on my article in last month's Magazine. It is very pleasing to note that nothing of that nature has happened since.

Two Members complained to me about the article in question, so I like to explain my reasons for writing it.

Firstly the Club belongs to the Members. The Members elect the Directors to run the Club on their behalf. Therefore I feel that it is my duty to inform, and ask for the assistance of our Members if something is happening of a nature which I can't control.

And that is exactly what I did !

Let's be honest with each other and we will go a long way with our Club.

Now let's go back to Membership and nominations:

I like to point out to our Members that any Member who nominates an applicant for Membership should be well aware of the fact that the nominee to a certain extend will be responsible for the applicant. In other words a Member who nominates an applicant should know a little about him or her. That way we will be able to control Membership a bit better and keep a happy Club with happy Members.

We regret the resignation of our fellow Board member John Groeneveld.

With his resignation there now is an opening on the Board for a Director.

So any one who would be interested to fill this vacant position and is of course interested in the Club's affairs, please contact any of the Board Members or our Secretary/Manager before the 21st June 1981.

To be eligible for a Board position you have to be an Ordinary financial Member of the Club for at least one year.

Arie Donselaar
Acting President.

SECRETARY MANAGERS REPORT

Much is written in this magazine about the death of our President Fred Bodt and it is not easy to add more to this or express my own feelings of the loss to our Club and myself personally.

I have worked with Fred for many years and I know how much he has done for our Club, and how much he believed that there is a great future ahead for us, as long as we are prepared to work for it. He has shown that example to us in his drive and ambition during the trying years during and after our licence application and on many other occasions in our years of growth.

I have worked with him very closely during those years and although we might not always have agreed on every issue, I've always admired him for the time and efforts he has spent to find out at the right places "What needed to be learned in regard to being a successful Registered Club." We have learned a lot together, for this I, myself and the Club in general will miss him dearly. But it will also give us the encouragement to continue and make sure that his work has not been in vain.

I know how much Margaret and the Kids have supported and shared his Club work, for which we will be forever grateful. I also know how much they will miss their husband and father. I only hope that in some small way our Club can help them to overcome that great loss.

Margaret has already shown us the courage she possesses but when the need arises I am sure that her many friends in the Club will be there to help and stand by her. Because that was Fred's aim for our Wilhelmina Club; to be one great big family. We have shown that same spirit at the day of the funeral. I would like to thank all those people who in some small or bigger way have assisted Fred's family and the Club before and during this day. First of all Wilma Schel for staying with Margaret at the hospital for the last two days and keeping us informed. Frank Hoppenbrouwer for arranging the funeral arrangements on behalf of the Club, the Directors who acted as Pall Bearers, the Ladies Auxiliary for assisting us preparing and serving the refreshments after the funeral, all the Staff who worked voluntarily during the day, the Manager, Coach and boys of our under 16's Soccer Team who formed the guard of honour at the Cemetery, the Mount Druitt Police Force who assisted

in organising the traffic for the very long procession of cars behind the cortege, and last but not least all those hundreds of people; members, friends, Committees of other Dutch Clubs, Organisations, Representatives of Blacktown City Council, Directors of the Rooty Hill R.S.L., Business associates and many more who attended the funeral and expressed their sympathy. Without your help we could not have shown Fred and his family the love and respect we feel for him.

Thank You All !!

HELEN KOEVOETS

FRED BODT APPEAL

An amount of over \$2700.00 has now been raised and we thank everyone that has contributed to the Appeal so far. With a couple of functions still to come and some more donations expected, we hope to close the Appeal in the next few months. Acknowledgements will be sent, to all those that have made this Appeal so successful after the closure date.

FRED BODT MEMORIAL

BENEVOLENT FUND

So far, under \$200.00 has been raised for this Fund. However, that is not surprising as all our efforts were concentrated on the Appeal. We now wish to get a "Fund Raising Committee" off the ground, to get this Benevolent Fund going and growing to benefit all members in serious trouble. An inaugural meeting is now set down for the 29th June, at 8 p.m. for those interested to help their fellow members.

THE LETTER BOX !

Many letters were received on this subject, both negative and positive and we thank the writers for stating their point of view. However, with hindsight the Board of Directors, have decided against this idea, as we feel it will cause discontent and as such will be of no service to the Club or its members.

It all started with a Presidents report in this magazine, re only one members point of view, in regard to discrimination, between nationalities of different people. Such discrimination has NEVER existed in our Club and does not now, or in the future. We neither wish to grow nor mature discrimination of any kind. We have a friendly Club for anyone wishing to enjoy the friendly atmosphere and we intend to keep it that way!

THE BOARD OF DIRECTORS

BOARD VACANCY !!

HOLLAND ... THE NETHERLANDS ... DUTCH ...

DO WE CONFUSE YOU SOMETIMES??

We frequently receive inquiries from intending travellers who think, that Holland and The Netherlands are two different countries. On top of that we are known as the 'DUTCH'.....! That might need some clarification:

Our official name is The Netherlands which means ' the low lands'. The name is very appropriate as a large part of Holland is below sea-level, hence our dykes to keep the sea at bay. Of our 11 Provinces, 2 are called Holland, namely North-Holland and South-Holland. It is the most densely populated area of The Netherlands and together with the Province of Utrecht they form the Western part of our country. However, the word Holland, to a traveller from abroad, stands for the whole country and we have accepted that, but for a couple of Provinces in the North who are not too keen on that name!

The wordt 'DUTCH' can be traced to a mediaeval word 'Diets' which is connected with our Germanic background.

And now for the currency, which also has people wondering sometimes.

Holland uses the Dutch Guilder which, for many centuries, was known as the Florin. The abbreviation for Dutch Florin: DFL. is still used, for instance DFL.100.-, we speak, however, of guilders.

It's all very simple, really!

DUTCH EX-SERVICEMEN MEETING

Requests have been received from Clubmembers about the possibility of establishing an ex-servicemen's branch in this district. We have sought the approval of the Wilhelmina Club to make use of the Clubs facilities for this purpose; this has unanously been granted by the Board in the meantime, the idea is that if there is sufficient interest in such a proposal, that in first instance a meeting will be arranged to discuss future activities such as monthly meetings, social outings, exchange excursions with fellow-association branches and the formation of a committee.

Membership of the Netherland Ex-Servicemen and Womens Association in Australia is open to ex members of the Dutch Armed Forces (Army, Navy, Airforce) and to persons who have served in the Resistance Movement. The first meeting will be held here in the Wilhelmina Club on Monday night June 22nd 20.00 hrs and we look forward to see all eligible persons present themselves in order to make this venture a success right from the beginning.

In case you do require any further details or information in the meantime, please contact either Mark Tadixz on 929-6222 ext. 271 or myself during office hours on 638-0166 or see either of us at the Club.

SOCCKER NEWS

On the 4th May we held our first A.G.M. Twenty six members attended the meeting to select the executive committee, which is as follows:- PRESIDENT: A. VERBAKEL VICE PRESIDENT: W. WELBEDAGY SR. SECRETARY: J. GROENEVELD TREASURER: PEGGY SEVINGA. Theo Boelhouwer, W. Welbedagt Jr., Allen King, R. Garuener and D. de Graaf.

It is wonderful to see that all our boys from the first grade, the under/16's and even the reserve grade are doing extremely well! It shows what training is all about. I am very glad to announce that Henk De Graaf is the new Manager for the first grade team this will prove a step forward. Allen King has also been looking after our first grade team this now will make his job a lot easier and I thank Allen from the bottom of my heart for a difficult task well done! Danny de Graaf and Paul Cristman are two new comers who join our ranks not only as soccer players but Danny took on the coaching responsibility and Paul the management over our reserve grade. They made their presence felt already to turn the reserve grade into a well organised unit.

As a young club there are many problems to overcome the task for the committee is not an easy one, work wise, finance, etc. etc. and I hope that all our soccerlovers stand by and support our club. Make it your Sunday to watch the players in action and bring your friends along with you! In the near future we'll try to get more junior teams, because they are the back bone we need for the future. I thank especially Tony Piekar for the hard work he has done and we are sorry to see him go, but we hope to see you back in the future.

I also remind you all that the tickets for the "200 Hundred Club" are for sale now!!! There are only 200 tickets at \$10.00 each. And the first prize listen to this..... a trip for two to Fiji The second prize a \$250.00 Voucher. The third prize a \$100.00 Voucher and ten prizes at \$10.00 Vouchers each. Don't hesitate, but your tickets now!! Support Your Club.

W. WELBEDAGT

The Soccer season is well under way now, and I am very pleased to say, that the U/16 team is still unbeaten. We are 3 points clear of any other team. This is due, because the spirit in the team is first class, coupled with top class coaching and some fine individual skills of the players. Since the last report we have played another 4 competition games the results were a 1-1 draw and 3 wins 11-0, 2-1 and 7-0 . MORE NEXT MONTH!!

The Friday Night teams are now in the final week of the Competition. The B and C teams will be in the top four positions and will therefore be eligible for the Playoff for the Grand Final.

The "A" Grade is now playing well, but it is too late in the competition for them to improve their position in the league.

The Monday night teams A and B have a reverse situation. The "A" team is near the bottom and the "B" team is equal top. Two of the "B" grade have scored the elusive "180" during the last game - Well Done!

A 'Mini-Competition' will be commencing in July in the Hawkesbury District League. New players would be most welcome to enter for this competition. It is Hoped to hold a "DARTS" Social Night in July, so watch the notice board.

very important, to see each other again, and that is what the club is
all about. A place to meet our friends with a game of Cards, Pool,
Darts and Billiards.

thank you Frans for being with us even at the last moment.

**Herinnert u het zich nog?
Zo'n gezellig hollands terrasje? Natuurlijk!
Maar wist u dat u met KLM's nieuwe lage
tarieven zo weer in Holland kunt zijn?**

Weer eens luisteren naar die oude bekende deuntjes van de accordeon en genieten van een echt hollands kopje koffie.

Profiteer van onze lage tarieven naar Holland voor uw volgende vakantie. Elke woensdag en vrijdag vertrekken KLM's ruime Boeing 747 B Jumbo's vanuit Melbourne en Sydney.

In sommige perioden van het jaar zijn onze tarieven zelfs nog goedkoper! U moet wel aan bepaalde voorwaarden voldoen om van de nieuwe lage tarieven gebruik te kunnen maken, o.a. minstens 45 dagen voor vertrek reserveren en betalen.

En voor uw verblijf in Nederland kunt u gebruik maken van de

vele aantrekkelijke KLM vakantie aanbiedingen, zoals de "Economy Drive", het huren van een auto tegen zeer lage prijzen. (Denkt u er wel aan dat u het huren van de auto voor uw vertrek in Australië moet regelen om van de speciale aanbieding te kunnen profiteren, dus wacht niet totdat u in Holland bent!)

In onze brochure "KLM's Europe Holiday Bargains" staan nog vele andere vakantiemogelijkheden niet alleen voor Nederland, maar ook voor tripjes naar andere landen in Europa.

Voor meer inlichtingen kunt u terecht bij uw reisbureau of bij de KLM.

Reserveer nu alvast uw goedkope KLM vlucht zodat u gauw weer eens in Holland kunt zijn.
